

NORTHWEST is a 6 font family. It consists of 3 weights of its crisp slab-serif with softly rounded edges, and 3 textured companions of the same. This font arose of a personal desire for a clean modern font with a retro style.

INCLUDED:

OTF & TTF:

- NORTHWEST - Bold
- NORTHWEST - Light
- NORTHWEST - Regular
- NORTHWEST - Bold - Rust
- NORTHWEST - Light - Rust
- NORTHWEST - Regular - Rust

WEBFONT WOFF:

- NORTHWEST - Bold
- NORTHWEST - Light
- NORTHWEST - Regular
- Sorry. Rust version is not webfont friendly.

NORTHWEST can be used for both Commercial and Personal projects.

I'd love to connect with you guys.
